

MotherVerse Magazine

A Journal of Contemporary Motherhood

Philosopher, Creator, Thinker, Artist, Activist, Mom. Sound Familiar? MotherVerse is a distinctively focused literary publication dedicated to instinctual, artful and intelligent mothering on a global scale. We publish the truth as it is because we know that all mothers are vital composers of culture and community.

Swaddling Mama

Comforting the mother within

A unique gift for every mama you know, including yourself. Our hope is to bless mothers, nurture their spirit, and empower them to feel confident and strong. This CD contains loving affirmations to soothe and reassure. Includes tracks for quick and easy or long and luxurious relaxation, healthy milk flow, and restful naps. Created by a Ph.D. and a mom.
